## **LCUL Introduces the 'Louisiana Credit Union Hall of Fame'**

The Louisiana Credit Union League (LCUL) is excited to introduce the Louisiana Credit Union Hall of Fame, a program sponsored by the Louisiana Credit Union Foundation. This program has been established in order to recognize the valuable leadership, commitment, dedication, and contributions of credit union professionals and volunteers throughout the state. Those inducted have given their time, talents, and ingenuity in order to enhance and strengthen the credit union movement. Inductees can include active and/or retired individuals as well as those who have passed away.

Inductees into the Louisiana Hall of Fame will be individually honored and recognized at LCUL's Annual Meeting & Convention. A special wall designated for the Louisiana Credit Union Hall of Fame will be located in the League's headquarters where the names of those inducted will be prominently and permanently displayed so that they are forever recognized for their achievements and contributions. Additionally, they will be recognized each year in LCUL's Annual Report distributed during the Annual Meeting.

Inductees can be submitted by an individual, credit union, chapter, or organization representing or working with credit unions. If you would like to induct an individual into the Louisiana Credit Union Hall of Fame, complete the attached form and mail to League office along with a \$500 donation on behalf of the individual made payable to 'NCFU- Louisiana Fund'.

There is no deadline for submission. Inductees received after July 23, 2010 will be recognized at our 2011 Annual Meeting & Convention. For more information, please contact Connie Major at [cmajor@lcul.com](mailto:cmajor@lcul.com) or (800) 452-7221, ext. 3051.
