CUNA's 2010 GAC set to take place February 21-25

"Monumental: Where Credit Unions Stand Strong!" is the theme that will highlight CUNA's 2010 Governmental Affairs Conference (GAC), February 21-25, at the Washington, D.C. Convention Center in our nation's capital. Congress and Administration are pursuing the most active agenda in a generation. For credit unions, the issues at stake are monumental. The Credit Union National Association's 2010 GAC will give credit union leaders the opportunity to learn the latest from influential policy makers, speak out on these critical issues, and ensure the credit union difference is well understood on Capitol Hill.

The Louisiana Credit Union League has a block of rooms at the Grand Hyatt Washington DC. For those that attended with us last year, you will note that we are at the same hotel as last year. The nightly rate for the Grand Hyatt is \$269 single/double. CUNA has made it very simple to book your hotel reservation for this year's Conference, by clicking on the following link:

<https://registration.experient-inc.com/showcun101/default.aspx?link=league>. Choose state (Louisiana) and enter in password: **Purchase2010** (password is specific to your state and is case sensitive). The hotel name will appear; follow the step-by-step process to complete the reservation.

Registration for the conference is \$895 for each credit union attendee. Credit unions under \$35 million in assets can attend for only \$450. To register for CUNA's 2010 GAC, please [click here](#). For detailed information including schedule, speakers, guest programs, and other events, please [click here](#).

As we get closer to the conference, additional information will be sent on Louisiana specific functions. If you have any questions about the booking process or general inquiries about the conference, please contact Jody Brooks, Support Specialist, at 504-736-3650 ext 3010 or jbrooks@lcul.com. All hotel reservations need to be booked either online or with the League prior to Monday, November 30, 2009.
