Robert Hood honored with Lifetime Achievement Award

2009 Annual Meeting & Convention Highlights

(HARAHAN, La.) – The Louisiana Credit Union League recently recognized Robert Hood from Carter Federal Credit Union with the “Lifetime Achievement Award.” The award was presented during the opening ceremonies of Louisiana Credit Union League’s 75th Annual Meeting & Convention, July 30-August 1, 2009, at the Downtown Sheraton Hotel in New Orleans.

Mr. Hood has been an active credit union supporter for more than 50 years. He was only two years shy of being a charter member at the credit union. He has made a lifetime impression on others for his dedication and spirit of giving through his contributions, always using his position to positively influence others. When he is not promoting credit unions, he can be found in the community. Serving for 13 years as secretary for the First Assembly Church, the secretary for the Prime Timers Church Group and as secretary for the Men’s Fellowship Church Group he exemplifies the characteristic of a true volunteer. Mr. Hood has always shown to have the credit union at heart – loyal to all, and always looking out for “the little guy”.

“The Lifetime Achievement Award is the highest honor that can be received by an individual for his contributions to the credit union movement in Louisiana,” said Anne Cochran, President/CEO of the Louisiana Credit Union League. Nominees are judged on their length of involvement in the credit union movement, their contributions to individual credit unions, promotion of the credit union movement, their involvement in credit union organizations on a local, state and national level and their civic and community involvement.

For 75 years, the Louisiana Credit Union League has represented the unique interests of more than 200 not-for-profit credit unions and the more than one million credit union members that they serve in the state of Louisiana.
