London-Plant Joins Louisiana Credit Union League as Senior Support Specialist

HARAHAN, LA —The Louisiana Credit Union League, the state association for credit unions, is pleased to announce that effective March 1, 2008, Kimberly London-Plant has joined the staff as Senior Support Specialist in the EFT/ATM Department.

Kimberly, who has more than 15 years of financial services experience, received her Bachelors Degree from Southern University and a Master's Degree from University of Phoenix in Baton Rouge. Prior to joining the league, Kimberly was a Branch Manager for Neighbors Federal Credit Union in Baton Rouge. She is experienced in many areas of credit union operations including EFT, IT, and Marketing. Kimberly will assist credit unions with EFT/ATM implementations and issues as well as product support.

For 70 years, the Louisiana Credit Union League has represented the unique interests of the 270 not-for-profit credit unions and the more than one million credit union members they serve in the state of Louisiana.
